Persons with disabilities requiring auxiliary aids or services, such as an American Sign Language interpreter or written materials in accessible formats, should contact David Robb, Disability Services Coordinator, at 33 S. Arlington Heights Road, Arlington Heights, Illinois 60005, (847)368-5793 (Voice), (847)368-5980 (Fax) or drobb@vah.com.

Item: Paver Brick Study Presentation

Department: Public Works

As reported previously, Staff prepared a Request for Proposal (RFP) to have alternate streetscape options analyzed and to design the required improvements in the streetscape areas which have not been refurbished since sometime between 1987 and 2000.

The RFP requested each proposal outline costs and the consultant's approach to three phases of work as follows:

PHASE ONE - Review of our current design and provide up to three alternate designs taking into consideration cost, maintenance requirements and compatibility with our existing design.

PHASE TWO - Complete Design of the streetscape improvements in the areas identified.

PHASE THREE - Construction Management of Phase Two work.

On April 20, 2015, the Village Board awarded the contract for this work to Haegar Engineering - Smith Group JJR. The consultant will be presenting the findings of Phase One at this meeting for discussion by the Village Board and Staff.
