INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTION OF COMPLIANCE

The Honorable Mayor and
Members of the Board of Trustees
Village of Arlington Heights, Illinois

We have examined management's assertion that the Village of Arlington Heights, Illinois (the Village), complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) during the year ended December 31, 2020. Management is responsible for the Village's assertion. Our responsibility is to express an opinion on management's assertion about the Village's compliance with the specific requirements based on our examination.

Our examination was made in accordance with the standards established by the American Institute of Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Village's compliance with the specified requirements.

In our opinion, management's assertion that the Village of Arlington Heights, Illinois, complied with the aforementioned requirements for the year ended December 31, 2020, is fairly stated in all material respects.

This report is intended solely for the information and use of the Board of Trustees, management and the Illinois Department of Revenue, Illinois State Comptrollers office and the Joint Review Board and should not be used by anyone other than these specified parties.

If not acceptable, the Parties shall negotiate to resolve the Village's objections. Upon agreement by the Parties as to the Final Developer Project Costs, in the event the Final Developer Project Costs are less than \$2,409,000, the amount of the Village Contribution shall be reduced proportionally. By way of example, if the Final Developer Project Costs are \$2,000,000, the proportional reduction of the Village Contribution is \$237,522 ($100\% - (\$2,000,000 / \$2,409,000) \times \$1,399,000 = \$237,522$).

C. The Village agrees, so long as the Developer is not deemed to be in breach of this Agreement pursuant to and in accordance with Section 6.7 of this Agreement, that the Village will not revoke, rescind, repeal, or amend the Redevelopment Plan or the ordinances adopted by the Village relating to the Redevelopment Plan, the New Town & Country Mall Project and this Agreement, unless it has first deposited into an escrow account the then-remaining balance of the Village Contribution that has not yet been paid to the Developer, pursuant to an escrow agreement to be negotiated in good faith and executed by the Village and the Developer. In the event that an escrow account is established pursuant to this Section 3.2C, all subsequent payments to the Developer pursuant to this Agreement will be paid from the escrow account and not from any other Village source.

ARTICLE V
DEVELOPER REPRESENTATIONS, WARRANTIES AND COVENANTS

Developer Representations, Warranties and Covenants. Developer represents, warrants and covenants that now and all times during the term of this Redevelopment Agreement:

A. Developer is Town & Country Chicago Associates, LLC, validly existing and in good standing under the laws of the State of Ohio. Developer has all power and authority to own all of its respective properties and to carry on its respective business or properties of the Developer. Developer is qualified to do business and is in good standing in each jurisdiction where the failure to be so qualified would have a materially adverse effect on the business or properties of the Developer.

B. Developer has all requisite power, authority and capacity to enter into this Agreement and to carry out the transactions contemplated hereby. The execution, delivery and performance by Developer of this Agreement and the documents contemplated hereby and the consummation by Developer of the transactions contemplated thereby, have been duly and validly authorized and all requisite limited liability company action has been taken to make them the valid and binding obligations of Developer, enforceable against Developer in accordance with their terms.

C. Delivery and performance of this Agreement by Developer, and the consummation by Developer of the transactions contemplated hereby, do not and will not contravene or constitute a default under or give rise to right of termination, cancellation, acceleration or material modification of any right or obligation of Developer under any provision of any applicable law or regulation, the Articles of Organization or By-Laws of Developer, any agreement, contract, plan, lease, arrangement or commitment, or any judgment, injunction, order, decree, administrative interpretation, award or other instrument to which Developer is a party or by which Developer may be bound.

D. There are no actions, suits, proceeding or investigations pending, or, to Developer's knowledge, threatened, nor does any reasonable basis exist therefor which would have a material and adverse impact on the business of Developer, against or affecting the Developer or any of the Developer's assets, at law or in equity, or before or by any federal, state, municipal or other governmental department commission, board or agency, domestic or foreign. The Developer is not operating its business under or subject to, nor is in default with respect to, any order, writ, injunction or decree of any court or federal, state, municipal or other governmental department, commission, board or agency, domestic or foreign, and, to Developer's knowledge, the Developer has not been charged or threatened with a charge or violation, or, to Developer's knowledge, is under investigation with respect to possible violation, of any provision of any federal, state or local law or administrative ruling or regulation relating to Developer or any of its assets.

E. Developer has conducted, and is conducting, its business in compliance with all applicable laws, regulation or requirements of each jurisdiction, whether federal, state or local, in which its business is conducted.

F. To the best of the Developer's knowledge as of the date of this Agreement, no representation by Developer in this Agreement or in any written statement, exhibit, schedule, certificate, document, or instrument provided to the Village pursuant to this Agreement and in connection with the transactions contemplated by this Agreement contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein not misleading.

G. The Developer represents and warrants that the New Town & Country Mall Project will conform and comply with all applicable federal, state and local building and zoning laws, rules, regulations and ordinances.

H. The Developer represents, warrants and covenants that no member, official, officer or employee of the Village, or any commission or committee exercising authority over the New Town & Country Mall Project, or any consultant hired by the Village or the Developer with respect thereto, owns or controls, has owned or controlled any interests, direct or indirect, in the Developer's business, the New Town & Country Mall Project, or the Town & Country Mall Property.

I. All warranties, representations, and covenants of the Developer contained in the Agreement shall be true, accurate and complete at the time of the execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall remain in effect throughout the term of this Agreement.

ARTICLE VI GENERAL PROVISIONS

6.3. **Notice.** All notices, demands, requests and other communications, required or permitted under this Agreement ("Notices") shall be in writing and shall be deemed properly served when delivered by hand to the party to whose attention it is directed or when received if sent, postage prepaid, by registered or certified mail, return receipt requested, or by an overnight carrier such as Federal Express, and shall be deemed received by such party three (3) regular business days after mailing in accordance with the foregoing provisions, and follows:

6.4. **Successors and Assigns.** The terms, conditions and covenants set forth in the Agreement or otherwise attaching by operation of law shall extend to, be binding upon, and inure to the benefit of the respective successors and permitted assigns of the Village and the Developer and shall run with the land. Any person or entity now or hereafter owning legal title to all or any portion of the New Town & Country Mall Project, including the Developer, shall be bound to this Agreement only during the period such person or entity is the legal titleholder of the New Town & Country Mall Project or a portion thereof, however, that all such legal title holders shall remain liable after their ownership interest in the New Town & Country Mall Project ceases as to those liabilities and obligations which accrued during their period of ownership but remain unsatisfied or unperformed.

6.5. **Waiver.** No waiver of any provision or condition of this Agreement by any party shall be valid unless in writing and signed by such party. No waiver shall be taken of any other similar provision or of any future event, act or default. Any provision or condition or term hereof established primarily for the benefit of one party hereto may be waived by such party with or without notice, which waiver may be made retroactively.

6.6. **Severability.** In the event that any jurisdiction the law of which shall apply, any provision of this Agreement shall be finally adjudicated invalid and unenforceable, in whole or in

part, or shall cause this Agreement to be unenforceable, in whole or in part, such provisions shall be limited for purposes of such jurisdiction to the extent necessary to render the same and the remainder of this Agreement valid and enforceable, or shall be exercised from this Agreement for purposes of such jurisdiction as circumstances require, to preserve the validity and enforceability of the remainder of this Agreement and this Agreement shall be construed for purposes of such jurisdiction as if said provision *ab initio* has been incorporated herein as so limited to had not been included herein, as the case may be.

6.7. Enforceability of the Redevelopment Agreement; Defaults; Remedies.

A. This Agreement shall be enforceable by any party by an appropriate action at law or in equity to secure the performance of the provisions and covenants herein set forth.

B. Any breach of any material term of this Agreement by either party shall entitle the non-breaching party to the remedy of specific performance in addition to any other remedy available at law, in equity, or by statute.

C. No action based upon any violation of this Agreement shall be brought except after written notice to the breaching party describing the nature of the alleged violation, and until said party shall have had a thirty (30) day period in which to cure the violation. A non-monetary default under this Agreement shall not be deemed to be a violation provided that such default is not capable of being cured within such thirty (30) day period, and after notice the party in violation shall institute and diligently pursue to completion appropriate measures to remove or remedy the default.

D. All remedies provided for in this Agreement are cumulative and the election or use of any particular remedy by any of the parties shall not preclude that party from pursuing such other or additional relief as it may be entitled to either in law or in equity.

E. In the event any action is brought arising from a breach of this Agreement or to enforce any provision of this Agreement, venue shall lie in the Circuit Court of Cook County, Illinois, and the prevailing party in such action shall be entitled to recover its costs, expenses and reasonable attorneys' fees from the breaching party.

F. Any delay by a party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate to act as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that such Party should not be constrained so as to avoid the risk of being deprived of or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches or otherwise).

G. The rights and remedies of any party to this Agreement (or its successors in interest), whether provided by law or by this Agreement, shall be cumulative, and the exercise by a party of any one or more of such remedies shall not preclude the exercise by it, at the time or different times, of any other such remedies. No waiver made with respect to the performance, nor

nor the manner or time thereof, of any obligation of Developer or the Village, or any condition under the Agreement shall be considered a waiver of any rights of a party with respect to the particular obligation of the other party or condition beyond those expressly waived in writing.

6.8. **Recording of Agreement.** A copy of this Agreement or a Memorandum hereof shall be recorded against the Property.

6.9. **Governing Law.** This Agreement shall be construed and enforced in accordance with the law of the State of Illinois.

6.10. **Entire Agreement: Amendments: Conflict.** This Agreement sets forth all the promises, inducements, agreements, conditions and understandings between the Developer and the Village relative to the subject matter thereof, and there are no promises, agreements, conditions or understandings, either oral or written, expressed or implied, between the parties hereto, other than those which are herein set forth. No subsequent alteration, amendment, change or addition to this Agreement shall be binding upon them, unless in writing and signed by both Parties. In the event any of the terms of this Agreement conflict with any of the terms of the exhibits attached thereto, the terms of this Agreement shall control.

6.11. **Force Majeure.** The Village and the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty; strike; shortage of material; unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperature of abnormal degree or for an abnormal duration, tornadoes or cyclones; acts of terrorism, Acts of God, pandemic(s) or other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the year and date first written above.

We have examined management's assertion that the Village of Arlington Heights, Illinois (the Village), complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) during the year ended December 31, 2020. Management is responsible for the Village's assertion. Our responsibility is to express an opinion on management's assertion about the Village's compliance with the specific requirements based on our examination.

Our examination was made in accordance with the standards established by the American Institute of Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Village's compliance with the specified requirements.

In our opinion, management's assertion that the Village of Arlington Heights, Illinois, complied with the aforementioned requirements for the year ended December 31, 2020, is fairly stated in all material respects.

This report is intended solely for the information and use of the Board of Trustees, management and the Illinois Department of Revenue, Illinois State Comptrollers office and the Joint Review Board and should not be used by anyone other than these specified parties.
