Item: Use of public sidewalk for outdoor dining cafe for LaTasca Restaurant - 25 W. Davis

Department: Planning & Community Development

Request

LaTasca Restaurant located at 25 West Davis Street has submitted an application for outdoor dining on the public sidewalk in front of their restaurant on the Vail Avenue frontage.

Analysis

Chapter 28, Section 5.1-14.2 allows the use of public sidewalks for outdoor eating cafes subject to certain criterias. In the event that alcoholic beverages are to be served on the public sidewalk, the Village's process requires review and approval by the Village Board.

On May 19, 2014, the Village Board approved a recommendation from the Committee-of-the-Whole approving a more relaxed fencing requirement for outdoor dining and modifying the requirement from a continuous 4 foot high fence to a barrier that consists of planters/fencing with openings that allow for a shared walkway for pedestrians, restaurants, patrons, and restaurant servers.

On May 30, Staff hosted a meeting inviting all Downtown restaurants to discuss outdoor dining and the modified requirements. LaTasca has submitted an application that has been reviewed by the appropriate departments for outdoor dining on Vail Avenue. LaTasca has provided the appropriate insurance provisions and executed the License Agreement.

Recommendation

It is recommended that the Committee-of-the-Whole recommend to the Village Board approval of the LaTasca outdoor dining request.
