Item: Mago Grill & Cantina - 107 & 115 W. Campbell St.

Department: Planning & Community Development Department

Mago Grill and Cantina, located at 107 and 115 W. Campbell Street has submitted an application for outdoor dining on the public sidewalk along Campbell Street. The Village Code permits the use of public sidewalks for outdoor eating cafes subject to certain criteria, including the entering into a License Agreement with the Village for the use of the public property. In the event that alcoholic beverages are to be served on the public sidewalk, the Village's process requires review at a Committee-of-the-Whole meeting and subsequent approval by the Village Board. Mago Grill and Cantina has executed the License Agreement and that Agreement is on the agenda for the May 1 Village Board meeting.

Mago Grill and Cantina proposal for use of the public sidewalk is consistent with the Village's requirements for a barrier that consists of planters/fencing with openings that allow for a shared walkway for pedestrians, restaurants, patrons, and restaurant servers. Mago Grill and Cantina is proposing planters along Campbell Street to delineate their outdoor eating area.

Recommendation

It is recommended that the Committee-of-the-Whole recommend to the Village Board approval of the request from Mago Grill and Cantina to use a portion of the public sidewalk for outdoor eating, including the service of alcohol, in accordance with the attached outdoor seating plan.
