SPRING OUTREACH EVENT

Commissioner Higgins-Thrash explained that Mr. Joe Keefe, Director of Metropolis has provided a few potential dates for the Spring Outreach Program at the Metropolis Performing Arts Centre. The theme of the program is drama. Commissioner Higgins-Thrash commented that the potential dates for the program are May 21 or May 28, 2017. The Commission discussed having the program start at 7:00 PM. The subcommittee discussed that they will coordinate with Joan at Metropolis regarding the details of the program.

VILLAGE HALL ART

Arts Chair Seitz-Pagano explained that Mr. Musich has a print of Meyer's Pond which was photographed but the print was not high quality and therefore the resolution of the photograph was poor. Arts Chair Seitz-Pagano explained that in an effort to find the color separations the subcommittee met with the Historical Museum. Arts Chair Seitz-Pagano explained that the museum is going to look for the color separations. Arts Chair Seitz-Pagano commented that another option is to have a mural artist recreate the image on the wall. Arts Chair Seitz-Pagano commented that it could cost approximately \$5000 to have a mural artist reproduce the image on the main staircase wall. Commissioner Higgins-Thrash expressed concern with that option and whether or not the artist would go along with having another artist recreate their art. Commissioner Thomas commented that another option would be to find a place for the print in Village Hall and consider other options for the staircase area. Arts Chair Seitz-Pagano commented that a vendor that cleans up low quality electronic files has reviewed the file and indicated that it is not feasible due to the low resolution. The Commission discussed options for trying to locate the owner of the image. Arts Chair Seitz-Pagano commented that the subcommittee will continue to explore options for a mural in the main staircase at Village Hall.
