November Commission minutes were approved with the correction to add Commissioner Scott Rowader as attending the meeting.

The Commission gathered to review more than 75 Hearts of Gold nominations. Each commissioner had previously received all nominations and additional letters of support to review prior to the meeting.

Each commissioner votes on their top two choices for each category with a specific point value given for top choice and second choice. The Commission also discusses which nominees are the best fit for the 11 awards given. The goal of the program is to award as many deserving nominees as possible.

The Commission was very impressed with the nominations provided this year and hopes that many people will be re-nominated. The excellent candidates for the Hearts of Gold program is reflective of the many generous, selfless, inspiring and dedicated people who live and work in Arlington Heights. Commissioners reported that it was very difficult to make their selections this year for the Hearts of Gold honorees.

The Commission is proud to announce the 2018 Hearts of Gold honorees:
