Chairman Goldberg asked if there were any changes, corrections, or revisions to the minutes of September 9, 2014. Commissioner Mullinax requested that a change be made to V.A. to insert the date of August 15, 2014 as when Coordinator Robb had sent her the comparison he had done on the Accessibility Chapter of the International Building Code and the Illinois Accessibility Code. She also requested that the last sentence of V.A. be amended to remove the words "and what decisions have been made". Commissioner Danzinger moved that minutes be approved as amended. Commissioner Calibraro seconded. The Minutes were approved as amended by unanimous vote.

Commissioner Axelrod and Chairman Goldberg requested an accommodation of bringing minute revision requests in written form to the meeting so that they could more easily follow what the changes being requested were since they could not hear the discussion.

Commissioner Danzinger will be working with Jim to work out the details and what the Commission would like to add to the presentation.

Randy Lewis, a former Vice President of Walgreens, who appeared in the video about their South Carolina warehouse where many people with disabilities are employed, cannot be reached. The Commission discussed other possibilities for speakers who might be willing to speak at a Chamber meeting.

Commissioner McMahon moved that the Commission pay for travel expenses for the speaker from the International Code Council. Commissioner McCarty seconded. The Commission unanimously approved the expense. The Commission will plan to have the presentation in lieu of their April meeting.
