Item: Regulation of the Use of Village Property
Department: Integrated Services

Item Description:

The Village Board recently asked Staff to examine options for regulating the use of public property such as benches and sidewalks for sleeping and long-term usage. In addition, there have been questions about the Village's current programs and efforts to support unhoused individuals and get them connected to programs in the area that can help them. Staff is prepared to discuss these topics together. At the July 21st Committee of the Whole meeting, Staff from the Health and Human Services Department will outline the Department's efforts to support the unhoused in our community. In addition, the Village Attorney will outline what authority the Village Board has to regulate the use of public property. Staff is seeking direction from the Board on the drafting of a possible ordinance to that effect.

Staff Recommendation:

Discussion and Direction to Staff to draft an Ordinance Regulating of the Use of Public Property
